Taking 'simplicity' to the next level.

SQ series

Really, it is this simple!

For bosses who want more productive workspaces.

Light. Smooth. Universal. Variable.

My sense for **space.**

For industrious individuals, the promise of simple uncluttered space is simply irresistible. SQ refreshes the search for more workspace in the most lucid of forms. And, found it here – reliving the definition of ‘simplicity is always the core of the best ideas.’

Smooth **space** connection for teaming worksurface.

Light and spaciouly inviting, SQ evolves and grows to support the creation of team – setting with the most easy flow for smooth communications among co-workers and yet nestled within individualized privacy workarea. This formed the best solution for offices where space is a luxury.

Shift **shapes** and re-shape.

Light lines and wide dimensions, SQ desks create open and inviting worksurface to spearhead work and ideas.

## Zealous about details

Never sacrifice functionality.

SQ delivers fresh perspectives to the ever demanding and evolving work environment.

Creative clustering with SQ 90° or the lovable butterfly SQ 120°.

Light rails and clips on a variety of accessories for organizing working tools. You've got a photo? Pin here. And never forget an appointment anymore with the magnetic whiteboard at arm's reach.

## Shape **space** for collaborative worksurface.

SQ thrives in its universally adaptive nature. The rectilinear profile makes it easy to suit-in any interior layout and capture every inch of usable workplaces even in any smaller offices. A superb feature for bosses who are always looking for more workspace.

Rectilinear **lightness** for more workarea.

The straight and light design enhances efficient use of space. Clustering of teams seems inviting without hesitation.

## Integrable & complementing.

Productivity rises with the best use of resources. The rectilinear profile allows diverse configurations with the smooth integration of various side lines and cabinets to optimize productive use of workspaces.

Store, **store** and store for more worksurface.

SQ easily satisfies interior architect's demand for contemporary office layout. The rectilinear frames and metal legs simply match and border with a wide range of storages of any shapes, sizes and finishes.

Light. Smooth. Universal. Diverse.
